

PREPARATION - EYELINER PROCEDURE

Please follow these preparation instructions to improve and prolong the results of your Eyeliner. If you do not follow these instructions, it can greatly affect your healed results or may put you at risk for an infection, or loss of pigment.

Before Appointment :

- **No caffeine, alcohol or blood thinners 24 hours before appointment**
 - **Do not** wear contacts during appointment
 - **Do not** wear eye makeup to appointment
 - No stye or any other sort of eye infection or irritation can be worked on
 - **No lash enhancement serums a month before appointment**
 - **No retinols, acids, anti-aging or acne products on the upper lid a month before appointment**
 - **No lash extensions - Must be removed at least 2 days before appointment**
 -
- + If you have any questions or concerns, please call us. If at any time you have any signs of infection or any concerns at all during the healing process, please contact us.
