Day 4-5 Light and Tight.

Lips will balance over the next 4 weeks and you will be back for a touchup at week 6. At that time, we can adjust color, add color, adjust shape or density!

What to Avoid:

NO Application of any other lip make up for 7 days

NO Scratching, picking, licking the dry skin or chapped lips

NO spicy foods for 24 hours

NO activities that will cause extreme sweating for 5 days

NO swimming, hot tubs or other bodies of water for 5 days

NO tanning or UV exposure for 7 days

NO laser light therapy

NO exfoliants or acids for 30 days

NO massage or skin treatments for 7 days

What To do:

You will wash lips before bed with warm water and unscented soap or facial cleanser. Apply the aftercare that is given to you by Haven Beauty Lab in a thin layer after cleaning. Make sure hands are clean before you touch your lips to wash them. Repeat in the morning. You will continue to wash morning and night for 5 days. Apply lip care to the lips throughout the day to moisturize. Do not let lips become too dried out and do not oversaturate them either.
